# Your Body – Massage

EXPERIENCED IN YOUR OWN PRIVATE SUITE.

## **RELAX ME**

60 or 90 minutes, In-Room 60 or 90 minutes

It doesn't get any better than a full body massage enhanced by your own custom-blended aromatherapy. Classically known as the Swedish, this massage is wonderful for relaxation, circulation and overall wellness.

## **ON THE DEEPER SIDE**

60 or 90 minutes, In-Room 60 or 90 minutes

This more intensive massage relieves tight, sore, over-stressed muscles and ranges from therapeutic to in-depth and more site-specific, based on your direction.

## **YOU ROCK**

60 or 90 minutes

The use of hot stones for healing purposes dates back to ancient times. Hot Stone Massage is a specialty which utilizes smooth, heated basalt stones, (a black volcanic rock that absorbs and retains heat) combined with classic Swedish techniques. The absorbing heat is deeply relaxing and assists in releasing tight muscles, melting away knots and stress.

## **GOOD TO GO**

30 minutes (Deep Tissue upgrade available)

A relaxing Swedish technique designed for the back, neck, shoulders or legs to unwind those tight muscles targeting stress-carrying areas.

## **NIRVANA MAMA**

60 minutes or In-Room

You deserve a little pampering before your little bundle of joy arrives. This massage provides a soothing experience for both mother and baby and leaves you feeling renewed, less tired and relaxed. As always, you should consult with your physician prior to any treatment during pregnancy.

## **TABLES FOR TWO** (Doubles Massage)

60 or 90 minutes

Relax with your special someone, friend, mother or daughter during this amazing massage for two. Two available massage options—Relax Me and On the Deeper Side—are designed to customize the experience to each individual preference.

## **CHAIR MASSAGE**

Pay per minute (20 minutes maximum)

On the go? Spend a relaxing lunch break with us before you head back to work. This quick-working massage is designed to maximize relaxation time and destress targeted areas for those without a minute to waste.

## **BUBBLES, A SCRUB & A MASSAGE**

Starting at 2 hours (May upgrade time and massage)

This is the ultimate in relaxation. Two hours of pampered bliss begins with a soothing Hydrotherapy Bath followed by our AromaGlow Body Scrub. Then let your body renew to the real you with a one hour Relax Me Massage. It's a combination of services that touches each sense and releases every tension.

## Your Body – Body Treatments

EXPERIENCED IN YOUR OWN PRIVATE SUITE.

### **AROMAMINERAL RHASSOUL ENVELOPMENT**

75 minutes

A moisturizing scrub smoothes your body followed by a detoxifying firming wrap to cleanse your skin. Your choice of wild flower aromatherapy essence and creamy mud covers your body, followed by a Hammam steam and shower then skin-firming moisturizer application. Finally, a dusting of copper or silver powder creates a glimmering complexion.

### **SEA ESSENTIAL FIRMING GEL BODY ENVELOPMENT**

60 minutes

This soothing body wrap imparts a toned appearance to the skin. The active agent, Succharide, helps to delay the signs of cutaneous aging by boosting the production of elastin and collagen and replenishes tissues. Includes a detoxifying foot treatment. Recommended in a series.

### **AROMAGLOW BODY SCRUB**

30 minutes

This indulgent scrub will restore your senses and recondition your skin. A gentle, relaxing mineral based cream is infused with the essence of pine and massaged into the skin, removing dead skin cells as it moisturizes your epidermis. Then a pleasant shower and nourishing skin cream restore skin hydration and texture.

### **BODY BRONZING SUNLESS TANNING TREATMENT**

# Your Face

## **PURE RADIANCE FACIAL**

60 or 90 minutes (90 minutes includes a double exfoliating AHA mask)

30 minutes Express Radiance (does not include extractions & full massage)

Your skin is immersed in soothing, marine-sourced ingredients customized to your personal skin type. A gentle combination of purified seawater and massage rejuvenates and restores your skin, creating a luminous complexion.

## **SEA WATER PEARL HYDRATING FACIAL**

60 or 90 minutes

Reward thirsty skin with the intense hydration of this facial. Once the skin is cleansed and exfoliated, a nourishing massage is performed to promote vitality and hydration. Shea butter and red seaweed are painted onto the skin to plump the complexion. For maximum moisture, choose the intense 90 minute facial with an additional porcelain-heating mask and Marine Eye Lift.

## **OXYGENATING SEA FOAM FACIAL**

60 or 90 minutes (90 minutes includes additional hydrating mask and self-heating mud mask for the back)

Purified skin results as deep cleansing and detoxifying marine agents alter the course of problematic skin. Enjoy a warm bubbling sea foam mud mask as it delivers a concentrated dose of minerals and trace elements to ease congestion within the epidermis and oxygenate the skin. A second, customized treatment mask improves circulation and leaves skin fresh and glowing for days.

## **THERMO ACTIVE ANTI-AGING FACIAL**

75 or 90 minutes (90 minutes includes self-heating mud mask for the back)

A breakthrough in skin care offers a comprehensive anti-aging solution using marine actives to naturally stimulate the body's protective mechanisms. This triple-mask-facial adds vital nutrients onto the skin improving tone, elasticity, and restoring its youthful function. The first two masks address and treat individual skin needs and enhance the circulation via thermal action. The final, mineral-rich mask lifts, smoothes and revitalizes for a toned, porcelain complexion.

(Not recommended for those sensitive to seaweed or iodine)

## **MEN'S HOT TOWEL FACIAL**

60 or 90 minutes (90 minutes includes additional customized mask & massage time)

Designed to meet the specific needs of a man's skin, this facial enlists the help of nutrient-rich marine agents to address areas left neglected by the shave-and-soap approach. A deep-pore cleansing is followed by a customized mask revitalizing the skin, leaving it healthy, toned and invigorated.

## **DETOXIFYING BACK FACIAL**

45 minutes

An intensive treatment exclusively for the beauty and health of your back. This back facial deeply cleanses, exfoliates and releases muscular tension. Enjoy the sensations of this effervescent potion while your technician works the pressure points on your feet. A skin-specific treatment mask is then applied to balance and correct any imperfections. Finally, intense moisturizers leave your back and shoulders vibrant and healthy.

### **BUBBLES, A SCRUB & A FACIAL**

Starting at 2 hours (May upgrade time and facial)

This is the ultimate in relaxation. Two hours of pampered bliss and indulgence begins with a soothing Hydrotherapy Bath followed by our AromaGlow Body Scrub. Then lie back, let your worries dissipate and your skin renew with a one hour Pure Radiance Facial, revealing a fresh, luminous complexion.

### **LIFTING EYE CONTOUR UPGRADE**

Add-on to any facial or 30 minutes alone

Crow's feet, dark circles or excess baggage, the eyes show signs of aging and fatigue first. This vulnerable tissue requires a specialized treatment. A three-phase massage is performed directly on the eye zone, followed by a supple, comforting eye mask delivering therapeutic elements for the improvement of your skin leaving you illuminated, soothed and smoothed.

### **LIP SERVICE UPGRADE**

Add-on to any facial, combine with Lifting Eye Contour Treatment or 15 minutes alone

Our lip treatment is the perfect remedy for dry, chapped lips and is ideal to combat signs of aging. This treatment is particularly beneficial when your lips need instant repair, fast. Moisturizing ingredients soften and smooth delicate tissues while restoring plumpness for a youthful effect.

### **UPGRADES**

We continually strive to provide our guests with the most up-to-date skincare. Upgrade options are available and change from season to season. Upgrade options available include customized masks, anti-aging AHA's and serums. Please find these options included in your intake information.

A mud application is followed by an envelopment of steam and a warm rain shower.
